FREE CHECKLIST

Builders Clean Checklist (Queensland)

This builders clean checklist lists everything a full builders clean should include, room by room. Builders Clean Brisbane Co. is a Brisbane builders cleaning company that uses this list on every final clean for builders and homeowners across Queensland's south-east. Use it to check a clean before handover, to brief a cleaner, or to compare quotes on the same scope. It is free to read, print and share.

ROOM BY ROOM

What does a builders clean include?

Tick each item off as you walk the home. Work top to bottom in each room: ceilings first, floors last.

Kitchen

- ☐ Benchtops and splashback free of dust, residue and stickers
- ☐ Cupboards and drawers wiped inside, including runners
- ☐ Pantry shelves wiped
- ☐ Sink, tapware and drain area polished
- ☐ Oven, cooktop and rangehood inside and out (if in scope)
- ☐ Dishwasher and fridge cavity wiped
- ☐ Appliance stickers and film removed

Bathrooms and ensuites

- ☐ Tiles and grout free of haze
- ☐ Shower screen and mirror streak-free, silicone smears removed
- ☐ Vanity inside and out
- ☐ Basin, tapware and toilet cleaned
- ☐ Exhaust fan grille dusted
- ☐ Floor waste and edges clean

Laundry

- ☐ Tub and tapware cleaned
- ☐ Cabinetry wiped inside and out
- ☐ Splashback and tiles free of haze
- ☐ Floor and edges clean

Living areas

- ☐ Skirting boards wiped
- ☐ Walls spot-cleaned (marks and dust)
- ☐ Built-in joinery inside and out
- ☐ Power points and switch plates wiped

Bedrooms and wardrobes

- [ ] Wardrobe shelves, rails and drawers wiped inside
- [ ] Wardrobe doors and tracks
- [ ] Skirting and window sills

Ceilings and fans

- [ ] Cobwebs and dust removed from ceilings and cornices
- [ ] Ceiling fans blades top and bottom
- [ ] Light fittings and pendants dusted
- [ ] Air-conditioning vents and returns (surface)

Windows and frames

- [ ] Glass inside (and outside where safe)
- [ ] Stickers, labels and light paint removed
- [ ] Frames and sills wiped
- [ ] Tracks vacuumed and wiped
- [ ] Screens (if in scope)

Doors and hardware

- [ ] Doors both sides, including tops
- [ ] Door frames and architraves
- [ ] Handles, hinges and locks polished
- [ ] Sliding door tracks clean

Floors

- [ ] Hard floors vacuumed and mopped to suit the surface
- [ ] Edges and corners detailed by hand
- [ ] Grout haze removed from tiles
- [ ] Polished concrete buffed
- [ ] Carpets vacuumed (steam cleaning separate)

External entries and balconies

- [ ] Entries swept and front door cleaned
- [ ] Balconies swept and wiped (if in scope)
- [ ] Balustrade glass (where safe)
- [ ] Garage swept (if in scope)
